

Sit-Astride ATVs including Loads and Trailed Equipment - Experienced Operator

Course Details

Title: Sit-astride ATV's, including loads & trailed equipment – Experienced Operator

Product Code: CLVA05X

Type: Training Course - Lantra - equivalent to QQI Level 5

Duration: 1 Day

Sit-Astride ATVs are very versatile vehicles with a range of attachments including trailers, sprayers and spreaders making them an effective and flexible business tool. However even the most experienced ATV riders can find themselves in a potentially dangerous situation, and without the proper training serious accidents can occur.
